

Working Prototype Known Problems Report

Product: TasteBytes

Team Name: Squid Team Six

Team Members:

Daniel Stansberry

Daniel Rooney

Nick Bayt

Ian Christner

Marina Penate

Nikita Podberezkin

List of functions not working correctly:

- The logout button does not function properly on the dashboard page because it messes with CSS properties that we could not figure out.
- Menu is not downloadable, however it is viewable on the web.
- Dropdowns in the preferences menu do not preserve state.
